

Forestry England

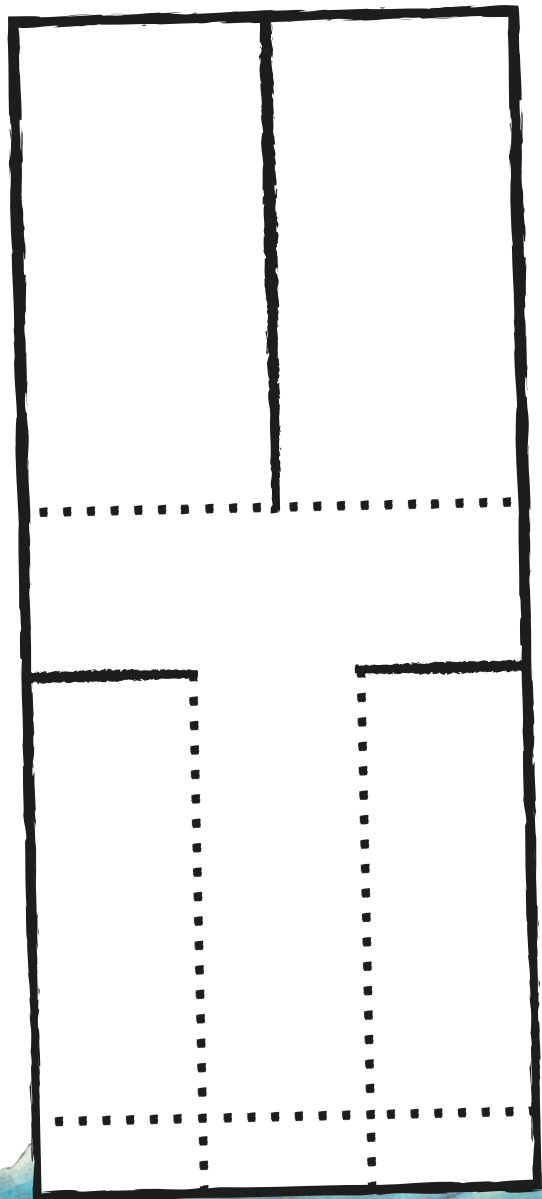

Make a helicopter

Watch it zigzag through the air like Zog!

You will need:

- Colouring pens
- Scissors
- Sticky tape
- Paperclip

- 1 Colour in your helicopter.
- 2 Cut it out along all the solid lines. Then fold along the dotted lines.
- 3 Fold the bottom end up. Stick with tape and attach a paper clip.
- 4 Throw or drop your helicopter to see it spin through the air!
