July 2026

Dear Parents and Carers,

As we reflect on another successful year at Straits Primary School, we wanted to take this opportunity, on behalf of the Governing Body, to thank you for your continued support and partnership with the school.

Straits Primary is a special place, and its success is built upon the collective efforts of many people. We are incredibly proud of our dedicated staff, whose commitment, professionalism and care ensure that every child is given the opportunity to thrive. Their hard work extends far beyond the classroom, as they continually plan engaging lessons, provide enriching experiences, support pupils' wellbeing and create an environment where children feel safe, valued and inspired to achieve their very best.

We are equally proud of the wide range of opportunities available to our pupils. Whether through sporting competitions, educational visits, music, the arts, leadership roles or extra-curricular activities, our children are encouraged to discover new interests, develop confidence and build the skills that will serve them throughout their lives. These experiences enrich learning and help every child grow into a well-rounded individual.

As a Governing Body, we also want to recognise the professionalism and expertise of our staff. Every day they make thoughtful, informed decisions in the best interests of the children in their care, often balancing the needs of individuals alongside those of the wider school community. We know that open and respectful communication between home and school is essential, and we encourage everyone to approach conversations with kindness, trust and mutual respect. While there may be occasions when questions or concerns arise, we ask that these are always raised constructively, recognising the experience, dedication and judgement of our staff. They work tirelessly for the benefit of every child and deserve to feel valued, supported and appreciated by the whole school community.

As Governors, we remain committed to supporting and challenging the school so that it continues to provide the highest quality education and the very best opportunities for every child. We thank you for the trust you place in the school and look forward to continuing our work together in the years ahead.

Thank you for being such an important part of the Straits Primary School community.

Yours faithfully,

The Governing Body
Straits Primary School
